Subject: Region 6 Gold Kind Scribe Projects

ERT,

Can you create a combined R6 project for the Region 6 Operations (2641? – published by Corey Bercher) and Analytical (PID 2645 – published by Tom Walzer) SCRIBE datasets.

Can you then send us subscription information for:

1. Operations
2. Analytical
3. Combined

All three should be added to our Region 6 Subscription as well.

Can you reply all to this email so everyone cc'd gets this information.

Thanks.

Janine Polinko Latham
